STEP ONE

THE PROBLEM

Nobody can get a snack or a drink during a 75-minute lecture. Our go-to-market: sell at the break, in the room, to a captive crowd.

Find the problem in front of you.

BETTER MARGINS

We cut the online checkout for a printed menu and Venmo, repriced every item, and changed what we stocked.

Jamal and Sheldon: learn as much as you can as quickly as you can.
